

Missions Update

Daniel & Debbie Willoughby, BMW, Berlin

Dear Friends,

As some of you may know, our grandson Emet recently had a "repair" surgery on his lip and nose and another procedure to put in a GI tube (instead of through his nose).

We are so thankful for the skill God gives doctors to help Emet with these physical challenges.

- Pray for Emet that his recovery will go smoothly
- Pray for Hanna and Sanjay as they help Emet through the recovery process, and for physical strength for them as well
- Pray that God will be honored and glorified throughout this whole process, and that Hanna and Sanjay can be a great witness to His great love and care!

God is the Great Physician! We are confident that He has a perfect plan with Emet's life.

OTHER MATTERS OF PRAYER:

- We appreciate prayer for AS, a young man who is struggling with sinful patterns. Tomorrow, we will be attending the funeral of the man who led him to the Lord; please pray this young man sees his need to live for eternity instead of these earthly temporal pleasures.
- Please continue to pray for the hearing impaired ministry. Daniel is taking a refresher course in German sign language, and has been taking quite a bit of time to help the folks look for jobs.
- The Friday night Bible study is very lively; pray for both the teaching time and the fellowship time. We have a couple of unbelievers attending.

Praying for you,

Dan & Debbie Willoughby

Sermon Notes

Prayer Requests & Praise

*Let's uplift **Linda Hobden** in prayer as she prepares to move back to Colorado. May we ask for God's grace and guidance for her and the movers, that they may efficiently handle the logistics of packing and transporting her belongings.

*Let's be in prayer for **Stacy**, the daughter of Al & Linda, as she deals with back issues. Let's ask for wisdom for her medical team as they seek to treat her. May Stacy and her family feel surrounded by love and support during this challenging time, knowing that they are held in the prayers of their church family.

📖 Book Recommendation 📖

A Gospel Primer for Christians - Milton Vincent

God did not give us His gospel just so we could embrace it and be converted. He offers it to us every day as a gift that keeps on giving us everything we need for life and godliness. Here is a valuable tool to preach the gospel to yourself daily to strengthen your faith and define what you believe and why.
